EXPERIENCE

Sep 2024 – Present

Junior Project Manager
Auto1 Group Berlin, Germany
Intern (Sept 2024 – Feb 2025) | Working Student (Mar 2025 – Present)

- Designed and built an internal **AI Conversation QA & Evaluation web tool** featuring **automated workflows and bulk-review evaluation pipelines**, enabling agents to audit and benchmark AI quality significantly faster.
- Developed an **automated Price-Lead Offer Email tool** integrating internal admin systems, **REST APIs, and low-code automation workflows** to extract customer data and auto-generate personalized offer emails.
- Performed **quantitative analysis on complex, unstructured multi-market datasets** using **SQL (Redash)** and Advanced Excel, building automated **company-wide KPI reporting and dashboards** in collaboration with 3 project managers.
- Built a centralized **Google Reviews & Trustpilot management web portal** (versioned via **Git/GitHub**) with template-based smart reply suggestions, turning manual review discovery into a **one-click approval workflow**.
- Led AI integrations and continuous optimization of an **AI voice bot across 9 international markets** within a cross-functional **product team**, routing **millions of calls**, boosting inbound answer rates from **65% to 85% (+20%)**, and raising call-to-booking conversion to **57.8% (+25%)**.
- Implemented, structured, and maintained an **AI chatbot, custom databases, and AI knowledge / vector databases**, overseeing deployment and retrieval improvements handling **30,000+ monthly conversations**.

Oct 2023

Customer Experience and Digital Innovation (Project Collaboration)
Franz Schneider Brakel (FSB) Berlin, Germany

- Conducted **quantitative research and complex data analysis** to propose a new service/subscription model that incentivized sustainability, **boosting client engagement**.
- Designed webpages to communicate FSB's sustainable product standards, **enhancing market differentiation**.
- **Collaborated closely with product and business stakeholders** across units to ensure alignment and effectiveness of digital initiatives.

Jan 2022 – Aug 2022

Intern
Fincas El Carmen Comayagua, Honduras

- Managed **inventory levels and purchasing decisions** using **quantitative analysis and Advanced Excel**, resulting in a **15% increase** in stock accuracy and availability.
- Analyzed and incorporated customer feedback to enhance service quality, **leading to a 10% improvement in customer retention**.
- Collaborated with cross-functional teams to streamline operations, **reducing processing time by 20%**.

Jan 2020 – Dec 2021

Product Supervisor
Hotel la Posada de mi Viejo Comayagua, Honduras

- Implemented **customer-centric methodologies** to supervise and enhance process operations.
- Established comprehensive plan structures, leading to a 10% improvement in **operational efficiency** and staff productivity.
- Implemented quality assurance, **resulting in a 10% increase in customer satisfaction scores**.
