EXPERIENCE

Sep 2024 – Present

Junior Project Manager

Auto1 Group Berlin, Germany
Intern (Sept 2024 – Feb 2025) | Working Student (Mar 2025 – Present)

- Designed and built an internal **AI Conversation QA web tool** featuring **automated workflows and bulk-review capabilities**, enabling agents to audit AI interactions significantly faster and accelerating AI quality improvements.
- Created a **real-time cross-country collaboration knowledge base** enabling live cross-border agent support during customer calls (e.g., Netherlands agents assisting Belgium operations in real time), standardizing multi-market support.
- Developed an **automated Price-Lead Offer Email tool** integrated with internal admin systems to extract customer data and auto-generate personalized offer emails, reducing manual handling time.
- Built a centralized **Google Reviews & Trustpilot management web portal** with template-based smart reply suggestions, turning manual review discovery into a streamlined **one-click approval workflow**.
- Led AI integrations and continuous optimization of an **AI voice bot across 9 international markets**, routing **700,000+ calls**, boosting inbound answer rates from **65% to 85% (+20%)**, raising call-to-booking rates to **57.8% (+25%)**, and increasing outbound answer rates by **10%**.
- Implemented, optimized, and maintained an **AI chatbot and its AI knowledge bases**, overseeing deployment and database improvements now handling **30,000+ monthly conversations**.

Oct 2023

Customer Experience and Digital Innovation (Project Collaboration)

Franz Schneider Brakel (FSB) Berlin, Germany

- Conducted **supporting research and data analysis** to propose a new service/subscription model that incentivized sustainability, **boosting client engagement**.
- Designed webpages to communicate FSB's sustainable product standards, **enhancing market differentiation**.
- **Collaborated closely with stakeholders** across different business units to ensure alignment and effectiveness of sustainability initiatives.

Jan 2022 – Aug 2022

Intern

Fincas El Carmen Comayagua, Honduras

- Managed **inventory levels and purchasing decisions** using **advanced Excel analytics**, resulting in a **15% increase** in stock accuracy and availability.
- Analyzed and incorporated customer feedback to enhance service quality, **leading to a 10% improvement in customer retention**.
- Collaborated with cross-functional teams to streamline operations, **reducing processing time by 20%**.

Jan 2020 – Dec 2021

Product Supervisor

Hotel la Posada de mi Viejo Comayagua, Honduras

- Implemented **customer-centric methodologies** to supervise and enhance process operations.
- Established comprehensive plan structures, leading to a 10% improvement in **operational efficiency** and staff productivity.
- Implemented quality assurance, **resulting in a 10% increase in customer satisfaction scores**.
